

1. Air 1 serves the spiritual and emotional needs of our community through on-air prayers, Christian music and ministry & discipleship.
2. The community would be negatively impacted if Air 1 would be displaced by an LPFM broadcaster providing other programming. Their ministry here local is vital.
3. Air 1's service is commercial free ministering to the Savannah area. I know of hundreds of Testimonies of how they have helped local residents through their music and prayer and Bible teaching.
